INDIVIDUAL PATIO ROOF

PRIME

Individual and harmonious

A PRIME patio roof fits seamlessly and harmoniously into your building's structure. There are virtually no limits on the design, so let your imagination run free.

This is what makes every PRIME unique.

Attractive and elegant

Each PRIME patio roof boasts stylish aesthetics, elegant design and lovingly finished details. The wide array of possible applications and colours offers maximum individuality and flexibility. This is what makes every PRIME stand out.

Functional and sturdy

With a PRIME patio roof, you create additional living space that protects you from wind and weather. Each product is distinguished by a high-quality and durable structure and solid craftsmanship. This is what makes every PRIME a haven of well-being.

Family time outdoors

Extend your house with a roof that fits harmoniously into your home. Or, why not plan an individual patio roof for your new home?

Visual details meet personal taste

Even for complex living situations, PRIME has a solution at hand so that the next family party can take place outdoors.

Perfectly combined

Supplement your patio roof with all-glass or framed elements. This allows you to use your newly created outdoor space for even longer.

Advantages

- Individual options make each PRIME unique
- Unobstructed view thanks to large span widths without middle post
- Maximum stability even with complex or more extensive wall and building structures
- Fits harmoniously into the existing house or can be perfectly integrated into the planning of a new building
- Different design variants are possible

For unique nature experiences.

Made to your individual specifications

installed on the building

roof inclinations
