PATIO ROOF IN A CUBO DESIGN

CUBO

Patio roof CUBO

Contemporary
design, combining
luxury and freedom

Elegance through design

Explore the world of contemporary design for your patio. Our CUBO flat-roof design impresses with its clean lines and timeless style.

As individual as you are

Built freestanding or attached to your building, the sophisticated and premium design convinces with its solid workmanship and superior elegance.

Inspiring simplicity

Relaxed, contemporary architecture for your patio or garden: CUBO will turn your outdoor living space into a luxurious experience.

Key benefits

- Roofs can be built to any size
- Adapts perfectly to any spatial conditions, add-on or built-in options
- Combines well with all-glass, sliding glass, folding and stacking wall panels
- Optional integrated LED lighting
- Broad range of colours for the individual touch
- Swiss engineering

Why not make it a “staycation”.

Custom built, to your specifications

As an addition to your building

As a carport

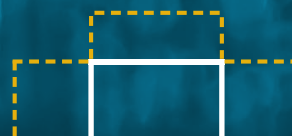

As an eaves

Freestanding in your garden

Can also be built as a T-roof

Bespoke width
and depth available
